

Wheatstone Aeola

81 Key Maccann Duet

s/n 32268

This concertina dates to December 13th 1929 in the Wheatstone Dickinson Archives.

The eight-fold bellows are in good condition and airtight, the reeds are steel and the concertina comes with a brown Wheatstone case.

The A key is tuned to 440hz and one key (D3) on the right hand side sounds in one direction only.

Inside the concertina is stamped "Monro Clarke" so it is possible that this concertina was originally owned by Henry Walker of Tunstall (see linked PDF).

Worldwide shipping is available at cost subject to local customs restrictions / charges.

Price £3000 (Open to reasonable offers)
